

**The 2nd regular session of the 126th South Carolina General Assembly  
convened on Tuesday, January 13, 2026**

**Governor of South Carolina** is Henry McMaster (R – Richland) since January 24, 2017. His current term ends on January 13, 2027.

*The following documents include Governor McMaster’s budget recommendations for FY26-27:*

[Governor’s Executive Budget FY 26-27](#) (Detailed) [Governor’s Executive Budget FY 26-27](#) (Presentation)

The South Carolina Legislature is divided into two parts called bodies (The House of Representatives and the Senate) and combined the bodies form the General Assembly.

**House of Representatives**

- Speaker of the House is Murrell Smith (R – Sumter) since May 12, 2022
- Speaker Pro Tempore – Tommy Pope (R – York)
- Majority Leader is Davy Hiott (R–Pickens)
- Minority Leader is Todd Rutherford (D– Richland)
- 124 seats
- 2 year terms (next election Tuesday, November 3, 2026)
- Currently there are Republicans (88); Democrats (36)
- Qualifications: qualified to vote in state elections; 21 years of age; a resident of the district in which he/she seeks to represent; has not been convicted of or pled guilty to a felony or voter fraud or bribery unless 15 years has elapsed since time was served.

**Senate**

- President of the Senate is Thomas Alexander (R – Oconee) since December 6, 2021
- Majority Leader is Shane Massey (R – Edgefield)
- Minority Leader is Brad Hutto (D – Orangeburg)
- 46 senators
- 4 year terms (next election November 7, 2028)
- Currently there are - Republicans (34); Democrats (12)
- Qualifications: qualified to vote in state elections; 25 years of age; a resident of the district in which he/she seeks to represent; has not been convicted of or pleaded guilty to a felony or voter fraud or bribery unless 15 years has elapsed since time was served.

**126th Session of the South Carolina General Assembly - 2nd Regular Session (2026)**

- Members of the bodies convened on Tuesday, January 13, 2026 (second Tuesday in January)
- This is the second year of a two-year session
- Legislation not enacted during the 2025 session will hold its place in the legislative process and carry over to the 2026 session
- RULES DELETED: The crossover deadline rule was deleted January 31, 2025 by the House of Representatives and December 4, 2024 by the Senate.
- Statutory Sine Die date – Thursday, May 14, 2026 (second Thursday in May) unless an extension is agreed to by a two-thirds vote of both bodies. Normally, the House and Senate meet in statewide session on Tuesday, Wednesday, and Thursday and for local matters on Friday. The Governor may call the General Assembly into a special session if necessary, beyond the regular session.

## Senate Legislation

<u>Bill #</u>	<u>Sponsor(s)</u>	<u>Description</u>	<u>Committee Assignment</u>	<u>Status</u>
<a href="#">S.101</a>	Senator Gambrell	This bill amends South Carolina's firefighter registration law to clarify and update several definitions and requirements. The bill mandates that the Office of the State Fire Marshal collect specific personal information about each firefighter, including their full name, date of birth, social security number, a valid driver's license number, employer, and employment date. The bill provides detailed definitions for key terms like "fire department," "firefighter," and "employer," specifying that a fire department must have a Public Protection Classification rating, be dispatched by a 911 center, be verified by the State Fire Marshal's Office, and maintain a roster with both the State Fire Marshal and the State Firefighters' Association. It requires that firefighters who work for multiple fire departments be registered by each fire department.	Referred To Labor, Commerce and Industry	Passed by Both Bodies → <b><i>The Senate Concurred in the House Amendments and the Bill was Enrolled for Ratification 5/6/25. Signed by the Governor 5/12/25.</i></b>

**SC State Firefighters’ Association FY 26-27 Budget Request**

**REQUEST 1(A) - South Carolina Firefighter Assistance Support Team (SCFAST) - \$287,028.62 (General Funds - Recurring)** The focus of SCFAST is twofold, prevention and post-incident support. SCFAST was authorized and funded by the General Assembly in 2016 through the Department of Labor, Licensing and Regulation via a budget proviso (81.13). The proviso allows the fire service to offer preventative initiatives and obtain an insurance policy that covers the out-of-pocket expenses associated with clinical care for mental or behavioral health needs of the first responder. Executive Director Helms testified in the House Transportation and Regulatory Budget Subcommittee of the House Ways and Means Committee requesting funding for the SCFAST program. ***The Ways and Means Committee adopted funding of \$287,029 recurring for the SCFAST program.***

The South Carolina State Firefighters’ Association is working with Senate members and staff of the Senate Finance Committee (SFC) regarding the SCFAST budget request. The SFC Natural Resources and Economic Development Subcommittee heard the SCFAST budget request on Thursday, February 12th upon adjournment of the Senate.

**REQUEST 1(B):** The SCSFA also requests that the funding for the SCFAST program be broken out as a line item in LLR’s budget (as currently done in SLED’s budget for PTSD Treatment). ***This request was not adopted by the Ways and Means Committee.***

**REQUEST 2 - Palmetto 800 Statewide Radio System Funding - \$5.5 million is estimated to cover approximately 50% of user fees (General Funds - Recurring) and a total of approximately \$97 million or roughly \$20 million over a 5-year phase-in for infrastructure (General Funds - Nonrecurring).** The goal for FY26-27 is to reach a 50% match from the state for user fee costs for those eligible public safety and first responders outlined in Proviso 93.7 in the Appropriations Act. The fire service would like to encourage the Governor to request retaining the Broadband Equity, Access, and Deployment (BEAD) non-deployment surplus funds and allocate a portion towards building radio towers throughout the state in order to provide adequate coverage for portable radios. If BEAD funding is unavailable, then the fire service would encourage the General Assembly to include funding in the FY26-27 Appropriations bill.

Each tower is **estimated** to cost \$2 million which is **estimated** to cost approximately \$94 million or an estimated \$20 million over a five-year phase-in. The South Carolina State Firefighters' Association is working with House members and staff of the Ways and Means Committee regarding the Palmetto800 statewide radio budget request. ***The Ways and Means Committee adopted additional funding of \$4.2 million recurring for the Pal800 user fees bringing the total recurring funding for user fees to \$11.1 million and funded an additional \$13.4 million nonrecurring for Pal800 infrastructure. Proviso 117.200 transfers the Pal800 program to the State Law Enforcement Division. The SCSFA has requested an amendment to the proviso to include a representative of the SCSFA to the proviso.***

***117.200. (GP: First Responder Interoperability) (A) For the current fiscal year, the First Responder Interoperability Program and the funds appropriated to the Department of Administration for this purpose are transferred to the State Law Enforcement Division (SLED). The employees, assets, liabilities, and contracts of the program are also transferred to and become part of SLED. All personnel transferred by this provision are to become employees of SLED with the same compensation, classification, and grade level. Applicable contracts entered by or on behalf of the program are continued and are considered to be devolved upon SLED at the time of the transfer.***

***(B) SLED is directed to administer and coordinate First Responder Interoperability operations for the statewide Palmetto 800 radio system to better coordinate public safety disaster responses and communications. First Responder Interoperability administration and coordination shall be funded as provided in this act. The cost-proportional funds shall be utilized for radio user fees of state agencies and public safety-first responders (Fire, EMS, and Law Enforcement) that participate in the statewide Palmetto 800 radio system (Palmetto 800 participants). SLED, in consultation with the Department of Administration, the Department of Public Safety, the State Emergency Management Division, a representative of the South Carolina Police Chiefs Association, and a representative of the South Carolina Sheriff's Association, shall set a baseline number of radios used by each Palmetto 800 participant based on the technical aspects of the Palmetto 800 radio system and the jurisdictional requirements of the participant. If a Palmetto 800 participant reduces the baseline number of radios in use, the amount of funds allocated for the participant's radio user fees shall be reduced in a proportional amount. Procurements by SLED for the administration and coordination of the Palmetto 800 radio system are exempt from the purchasing procedures of the Consolidated Procurement Code in Chapter 35 of Title 11.***

***(C) The funds shall also be utilized to provide private county and city radio systems with grant funds to be used for purchases of equipment that supports interoperability with the statewide Palmetto 800 radio system and its users. Grant funds shall be allocated to private county and city radio systems based on the criteria used for Palmetto 800 participants and in amounts proportional to the amounts allocated to support the per-site radio user fees of Palmetto 800 participants. A matching share is required by a Palmetto 800 participant or by a private county or city radio system in order to qualify for receipt of funds pursuant to this proviso. Each fiscal year SLED shall establish the level of match required based upon funding provided by this act. These entities shall be required to furnish such documentation as may be required by the department to verify that the matching funds requirement is met. Upon funding state agency and public safety-first responder user fees and private county and city equipment purchases, any remaining funds may be used to enhance and expand the statewide Palmetto 800 radio system. All funds shall be held in a separate account established by the department for the purposes set forth herein. Any unexpended portion of these funds may be carried forward and used for the same purpose. In the calculation of any across-the-board budget reduction mandated by the Executive Budget Office or General Assembly, the amount appropriated to SLED for First Responder Interoperability must be excluded from the department's base budget.***

***(D) SLED shall provide a report on the status of the integration of the statewide Palmetto 800 radio system, which shall include, but not be limited to, a list of entities that are not integrated into the system as of the end of the immediately preceding fiscal year and the reason why they are not integrated. The report shall be submitted by October first of the current fiscal year to the Chairman of the Senate Finance Committee and the Chairman of the House Ways and Means Committee.***

**REQUEST 3 - South Carolina Heritage Center and Museum Request - \$4.8 million (General Funds - Nonrecurring) -** The SCSFA is requesting funding consideration for the development of the South Carolina State Fire Heritage Center and Museum. Currently, there is no statewide facility designated to educate future generations on South Carolina's fire service history. The SCSFA purchased a facility in the vicinity of Columbia, located in Richland County, which will house the South Carolina State Fire Heritage Center and Museum. The SCSFA is seeking funding (\$4,800,000) necessary to renovate approximately 25,000 sq ft

of the property to include an interactive fire museum, auditorium and educational center. Additionally, the Heritage Center will have the capability to also serve as a Firefighter Mobilization back-up staging location, in the center of the state, for natural disaster response. **SCSFA continues to meet with members regarding funding the South Carolina Heritage Center and Museum.**

SCSFA continues to support the FY26-27 State Fire Budget Request submitted by the South Carolina Department of Labor, Licensing and Regulation.
