

Executive Committee Minutes

December 2, 2025

Attendance: Executive Committee, Staff, Insurance Board, Special Guest, Past Presidents

10:15 President Womack called the meeting to order.

Invocation & Pledge by Chaplain Ricky Jenkins

Welcome to all guests we thank you for joining us at our new facility. We look forward to walking you through the new building and explaining our vision. We look forward to a great lunch and a time of fellowship. President Womack asked Zorrina to please recognize her guest. From Washington National, we have Tracy & Maddie, Provident we have Darrin, Danielle, Mark & Taylor. Our legislative agents were recognized Ms. Cindy, Annie & Chief Stewart. Our cook for today is Tony Dicks. Thank you to our Past Presidents for being here.

We went into committee reports for those that needed to report out.

Strategic Planning – Billy Barnes – Reports for objectives were sent out to prepare for January. Please look over those, and please respond with your feedback. We will meet at the Fire Service Improvement Conference January 22 – 24, 2026. Ashley will be sending more details out about this event.

Foundation – Jamie Caggiano – The foundation had a meeting, and the foundation board has approved to partner with Founders Federal Credit Union and would look to your support on this. This should not compete with our partnership with CPM Federal Credit Union. They both do great things but there shouldn't be any overlap.

A motion made by Mike Norket, to support the South Carolina Firefighters Foundation partnering with Founders Credit Union, seconded by Jason Dennis. All in favor (Vote 7 Yes : 0 No Absent Kavetski, Eubanks & Waring).

The foundation has been working with Jay Bruner on the Mutt Bozard fund. When Dr. Bozard passed, a fund was set up locally to help support the fire service through scholarships. They have decided to give this over to the SC State Firefighters' Foundation. We proudly accepted this fund. This will be used to carry on Dr. Bozard's legacy through perpetual scholarship. This is funded 100%, we will invest and use the interest to fund the scholarship. We are finalizing the paperwork details now.

Training & Education – Terry Sheriff – The Training Officer Academy has sent out a survey to all training officers in our state. Please encourage your folks to fill out this survey, it is only going to help us as a state.
